Chief Bruce Mills, Assistant Interim Director
Dr. Linda Czisny, DVM
Town Lake Animal Center
1156 West Cesar Chavez Street
Austin, TX 78703

Dear Chief Mills, Dr. Czisny and Staff,

Please find enclosed a written report following our recent visit to Town Lake Animal Center. We so appreciated the time everyone spent with us and hope that some of the information contained here will be of use in your ongoing efforts to help the animals and people of Austin.

We hope that the initial exchange of this written report will facilitate development of internal planning. However we can assist with follow-up from the report and as you prioritize an action plan in conjunction with the entire partnership team from this point forward, please be in touch. It was an absolute pleasure meeting you and all of your staff and we look forward to continuing to work together this year and beyond.

Best regards,
